**CAUSE**

Vincent A. Cruz violated the conditions of his supervised release in the Eastern District of Washington, Spokane, by submitting a urine sample on March 18, 2005, which tested positive for amphetamine and methamphetamine. Mr. Cruz was interviewed regarding the positive urinalysis test on April 4, 2005. Mr. Cruz admitted that he found a package containing methamphetamine near the telephone booth at a local grocery store. Mr. Cruz acknowledged picking up the package and using the drugs from the package.

The defendant's urinalysis tests were increased from once a month to four times a month. The defendant has also agreed to signing a modification of his supervised release to include a condition for mental health counseling.
